

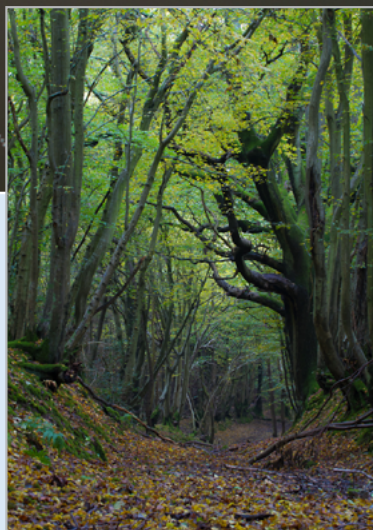

PHOTOGRAPHIC COMPOSITION

Sat Jan 18
1-4pm

three hour workshop £25

Ever wondered why some photos look better than others? Join professional artist, Jamie Griffiths, for a fun, hands-on introduction to photographic composition.

By understanding how the brain sees images, you can apply simple-to-learn visual rules in order to quickly improve your photography, with any subject matter, on any camera. Max 8 participants. Beginners & Intermediate welcome.
